### Doctor's Orders for Stress Busting Your Way to Better Health & Calmer Living

Stress is a fact of life but its nasty health effects don't have to be. Punctuated with lessons from Dr. Donna's experience with common stressors like a frustrating career and challenging relationships, attendees learn tips and tools for managing life's inevitable button pushers. In addition to health boosting skills, participants receive stress busting strategies for navigating demanding experiences.

### Wellness Your Way: Creating a Customized Plan for Your Happier, Healthier Life

One size doesn't fit all when it comes to health. Like jeans, what works for your friend might not work for you. Personal needs, preferences, and responsibilities help determine your unique requirements. This informative and encouraging presentation gives participants a process for crafting a personal plan towards a healthier, happier, more satisfying life.

### Making Time for Me: Self-Care Tips to Revive, Thrive, and Stay Alive

Many women feel that making time for self-care is something they can do later or it's too selfish or expensive. Not so says Dr. Donna! In fact, the consequences of not taking time for yourself can have more repercussions than you think. This uplifting presentation teaches overextended, weary women valuable tools for enhancing their quality of life NOW. They learn surprising facts about the hidden risks of not taking care of yourself and simple steps that create a healthier lifestyle.

### It is Possible: Balanced Living Tips to Stress Less, Enjoy More & Be Well

In spite of the numerous time saving gadgets in our lives, many women feel more overextended than ever. Their plates overflow with commitments and they want to do something about it. They just don't know what to do, how to do it and even doubt that it's possible. Through this empowering talk, participants receive a plan for creating a healthy, balanced lifestyle and inspiration to follow through.
